

Bill Boublitz · Takes On Life

artist: www.billboublitz.com

label: www.fivechimemusicllc.com

Premier release from composer & keyboard artist Bill Boublitz (pronounced, “Bah-blitz”). Decidedly upbeat, with great grooves, melodic writing and playing. This is music that celebrates life.

Musically, **“It’s a remarkable piece of work... You owe it to yourself to hear the entire CD, *Takes On Life.*”** - Rick Kogan, The Sunday Papers, WGN Radio 720 AM, Chicago

Having worked with numerous notable artists over a thirty-five year career, Bill Boublitz’s exceptional talents are now creating a unique direction in music. The Bill Boublitz Group features Bill on piano, John Leonard, bass, Tom Brechtlein, drums, and Bruce Swaim, saxophone.

“The language of music is the bridge between philosophy and physics. It conveys the connection between the world of spirit and the natural world. I create music from this perspective.” ~ **Bill Boublitz**
